

Dear members of IAFM,

It is an immense pleasure and personal milestone to be elected as the General Secretary of IAFM, the esteemed organisation that strives for excellence and progress in the medicolegal field. I am grateful for your kind support and trust. I extend my gratitude and appreciation to the previous governing council for their contribution to the betterment of the organisation, which has worked relentlessly towards improvement of the subject.

I congratulate the newly elected governing council members (2025-2028) and believe the newly elected team will work hard to the best of their abilities to help the organisation reach higher goals and receive international recognition.

With the growing number of members, and introduction of the younger generation of medicolegal experts to the organisation, I understand that I carry the responsibility of introducing the newest technologies and advancements in the working of the organisation as well as our beloved field of forensic medicine.

Once again, I thank my colleagues and seniors for trustfully granting me the opportunity and responsibility of leading the organisation to reach new milestones. I will dedicate my efforts in towards introducing advancement in the subject and making IAFM a trusted source of medicolegal services to the government.

Long Live IAFM!

Regards,

Dr. Rajesh C. Dere,
General Secretary, IAFM
Professor & Head,
Dept. of Forensic Medicine & Toxicology,
TNMC, Mumbai, Maharashtra.
