Journal of Indian Academy of Forensic Medicine

Aims and Scope

Journal of Indian Academy of Forensic Medicine (JIAFM) is a quarterly peer-reviewed specialty medical journal which is the official publication of the Indian Academy of Forensic Medicine. The Journal covers all technical, medico-legal and clinical aspects of the Specialty including the Ethical and Social issues. JIAFM presents a comprehensive and meticulous exploration of the intricate facets within the realm of forensic medicine. It serves as a pivotal platform for scholarly investigations, discussions, and insights into ethical and social dimensions that intersect with forensic medicine.

Priority is accorded to Original Research Articles, Review Papers, and impactful Case Reports that significantly contribute to the field. By spotlighting these crucial areas, JIAFM endeavours to foster a deeper understanding of forensic medicine and promote best practices.
